Profile

MAX SECURITY SERVICES is an ISO 9001:2008 Certified company. Max Security services was established in August 2015 under the Government of Karnataka and Department of Labour Act and has a rich Legacy & History in security industry with distinct professional ethics and strong core values.

The nature of our security services and corporate facilities are on par with standard organisations in Karnataka.

Mission:

It is our mission to provide efficient client specific and customized integrated security solutions at the most competitive rates. We are committed to ensuring peace of mind to our clients by providing the highest levels of protection to their assets. We strive to enhance the well being of the clients' business interests by maintaining a safe and secure operating environment by adopting the best practices of the security industry.

Vision :

The vision of Max Security Services is to be the most competent, reliable and professional security solutions provider.

Responsibility

We undertake the responsibility of the premises for its safety with men and material. However, in case of any untoward incidence we induct a team of investigators jointly with a team representing the client to determine the cause of the same. If the incidence is due to the lapse on the part of security such as inefficiency / negligence the same will be handled legally by us as per our mutually agreed terms.
